

# The Bureau of Idea Approval

Hereby certifies that:

*Recipient*

Has submitted a New and Useful Idea for  
The Betterment of Humanity; to wit:

*Description of Idea*

It is hereby further certified that the aforementioned idea meets the requirements of law and custom for potential exploration. Therefore, by the power vested in me by me, permission is explicitly granted to the person or persons having title to this certificate to begin all necessary efforts for the implementation of this idea, including but not limited to: research, prototyping, preliminary experimentation, utter failure, modification, development, and unlimited iterations of try, try again.
